The Management Board of the Parent Entity is responsible for the preparation and presentation of the interim condensed consolidated financial statements in accordance with the requirements of International Accounting Standard 34 Interim Financial Reporting as adopted by the European Commission regulations.

Our responsibility is to express a conclusion on the interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with National Review Standard 2410 in the version of International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity, adopted by resolution of the National Council of Statutory Auditors.

A review of the interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially narrower in scope than an audit conducted in accordance with National Auditing Standards in the version of International Standards on Auditing. Consequently, a review does not provide assurance that all significant matters that might be identified in an audit would have been discovered. Accordingly, we do not express an audit opinion on the interim condensed consolidated financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed consolidated financial statements have not been prepared, in all material respects, in accordance with the requirements of International Accounting Standard 34 Interim Financial Reporting as adopted by the European Commission regulations.
